

Sustainability Worksheet

- 1) Give an example of 'Unsustainable Practice' in a digital workplace.**

Computers and Hardware being powered constantly, even when not in use.

- 2) List 2 areas outside the workplace that are impacted by negative environmental change, as a result of unsustainable practice.**

Eg: Great Barrier Reef

Beaches (Pollution, dead animals, trash)

Atmosphere (O-zone holes, 'Acid' rain)

- 3) Discuss as a group and determine viable resource alternatives for the key energy use areas highlighted below.**

Energy Use Area	Current Resource	Alternative Resource
Heating	Coal Fuel	Solar
Transportation	Petrol	Human (Bikes)
Electricity	Fossil Fuels	Wind Power

4) Using the attached global map, identify the 5 largest producers of Natural Gas, Oil, and Water

Natural Gas	Oil	Water
Russia	Saudi Arabia	Brazil
Iran	Canada	Russia
Qatar	Iran	Canada
N/A	Iraq	Indonesia
N/A	Kuwait	China
